HLL/CMD 05/2016

30.5.2016

Dr. AshalathaThampuram,
Executive Director,
Mohandas College of Engineering & Technology,
Anad.P.O, Nedumangad,
TRIVANDRUM-695 544.

Dear Madam,

I am happy to put it on record that the MoU signed between HLL Lifecare Ltd and M/s Mohandas College of Engineering & Technology on 9th February 2014 has fulfilled its objective of imparting practical knowledge to the engineering students of your college. The industry institute partnership between HLL Lifecare Ltd and MCET is a unique model which could be replicated by other colleges.

I would like to convey my deep appreciation to the faculty members, especially Cmdr V.N.Ajithkumar (retd) and the students of MCET for their dedicated efforts and commitment towards various projects completed by them in our organization.

It is commendable that MCET Students have successfully completed a dozen projects within a span of 2 years. These projects are implementable, scalable and useful to us. It is heartening to note that students have come out with innovative solutions to address various issues/ concerns/ problems faced by us in our production operation. The solutions were not just modification or adaptation of the existing designs, but innovative engineering designs from concept level. The faculty members were supportive and have undergone exposure visit in HLL.

The faculty members have also developed confidence in their own ability to develop and deliver useful projects for the industry.

I wish all success to the budding Engineers and faculty members of Mohandas College of Engineering and Technology in their future endeavours.

We look forward to your continued partnership.

With warm regards

Yours sincerely,

Dr.M.AYYAPPAN
